

ADVANCEMENTS FOR METAL BUILDINGS

CONGRESS

AMSTERDAM 26. - 27. OCT. 2023

Photo: Kalzip GmbH

The light metal construction method is a young and dynamic process. Modern requirements with regard to energy savings, environmental protection and standardization within the European Market require closer co-operation in order to meet today's challenges.

In order to achieve these aims, PPA-Europe, the European Association for Panels and Profiles and IFBS, the International Association for Metal Building Envelopes,

are working closely together. They complete each other in order to bring expertise on product quality, on adequate installation and on efficient advocacy at European level.

This congress will offer the participants the opportunity to operate in a network across the association borders, with the aim of both information exchange and building up new business partnerships. We have compiled a selection of subjects for you which include both current

information about manufacturing and sales of your products as well as prospects for their use. This year the focus is on the sustainable use of metal products and a sustainable metal building envelope.

We are pleased to invite all those interested to this congress. Participation does not require membership.

**We are looking forward
to greeting you in
Amsterdam!**

Dinner sponsored by:

TATA STEEL

Congress co-sponsored by:

ROCKWOOL®

THURSDAY

26. OCT. 2023

10:30 PPA-Europe
General Assembly

13:00 Buffet lunch

14:00 Congress | Opening

14:05 Harry Gatterer | Zukunftsinstitut

The Future is Human

Arthur ten Wolde | Circular Future

New EU regulations fostering sustainable business

15:45 Coffee Break

16:15 Nikolaos Emmanouil | Group Life Cycle Assessment
Specialist Regulatory Affairs | ROCKWOOL A/S

Policy frameworks and Life Cycle Assessment in construction

Lars Courage | COURAGE architecten

COLOUR TALKS

17:30 End

18:00 Boat trip (until about: 19:30)

20:00 Walking Dinner in the congress
hotel's "SkyLounge Amsterdam"
sponsored by Tata Steel

Registration fee: € 410,00

For registration and detailed congress
information, please visit the websites:
www.ppa-europe.eu · www.ifbs.eu

** Congress will run only in English language*

FRIDAY

27. OCT. 2023

09:00 Congress

09:05 Johannes Poppenberg | BASF Polyurethanes GmbH

Constructing a sustainable sandwich panel with BASF

Bernd Döring | Solar-Institute Jülich

Climate neutral heating and cooling of large light-weight buildings
